#22

Monthly updates of how WCA
advocates for Westchester's kids

Subscribe at
wca4kids.org

Things are looking up for children and youth in New York as the State Budget offers a great opportunity to address urgent issues that have lingered for too long. See how you can help in our latest version of monthly updates.

WCA eBulletin #22 - February 2022

- New York State Budget 2023 priorities for children and youth
- Fill out and share our new [Digital Access Survey](#)
- New Faces: Angel Gray, Program and Policy Manager

WCA's
advocacy
agenda for the
2023
New York
State
Budget

Next year's State Budget holds great promise for kids!

You can help WCA promote important issues and funding for children and youth in Westchester and New York by lending your voice of support. See more of our key goals and how you can get involved.

Fill out & Share our Digital Access Survey so all Westchester families can succeed online!

WCA has partnered with Pace University to create a survey in English and Spanish that helps to find out what Westchester families need for internet and computer access and support.

Please complete the survey and pass it on to your friends and family so we can get feedback from as many as possible and help those who need it most.

Fill out our Survey!

New Faces: Angel Gray Program & Policy Manager

We are excited to introduce a new member of the WCA Team. Angel Gray is a social worker with extensive clinical and program management experience in home visiting and with children. She began her journey as our Program and Policy Manager in February. Join us in welcoming her!

Meet Angel
